# HUNTINGTON VILLAGE NEWS & STORIES

## HAPPY NEW YEAR!

### Our CEO's Message

Dear Hunt Military Communities Residents,  
Happy New Year!

Hoping this finds you well after the holidays and ready for 2022. At Hunt Military Communities, this is a time for our teams to reflect on the past year and prepare for what I know will be exciting changes coming for our residents. In 2022, HMC will strive to meet and exceed the needs of our residents by focusing on several key areas. Our main area of concern is your Resident Experience and the delivery of service by our team. Focus groups will be utilized at many communities so that we can better understand any perceived shortcomings and actively seek to improve our service to you. We are committed to the long-term health of our communities and by continuing to develop programs and services that benefit our residents, we hope to see our communities continue to flourish. Please stay tuned for updates on these, and other programs. Again, Happy New Year and best wishes for a happy, healthy, and successful year!

All the best,  
Brian Stann

President & Chief Executive Officer

## Maintenance Corner

Effective January 1, Huntington Village will no longer offer the self-help program. We will still provide filters for pick up at the office. We strongly encourage everyone to pick up and change their filter monthly to prevent any HVAC issues. We are experiencing longer completion times on routine work orders as we are trying to recover from the effects of COVID. Our maintenance staff is working very diligently to prioritize the back log of work orders in an effort to get everyone taken care of as soon as we can. We appreciate your patience and understanding as we navigate through this process, if you have any questions or concerns please contact the office at 478-929-2988 or email [Huntingtonvillageleasing@huntcompanies.com](mailto:Huntingtonvillageleasing@huntcompanies.com).

## Mow Schedule for Month of January

Landscaping will mainly focus on leaf control at this time, which will include blowing, and mulching leaves. They will be blowing off streets, patios, sidewalks, driveways and front porches. They will also be cleaning out drainage ditches. Grass growth will be monitored and mowed as needed. Follow us on Facebook for the most updated weekly mow schedule! If you are having any landscaping needs that are outside of regular grass mowing, please contact the office or use the Hunt App to submit a work order.
